

What's your Superhero Power?

In *Mammoth Rider* all the children have skills that help save the day.

Ash may struggle with reading, writing and maths, *but* she can understand the mammoths' behaviours.

Ruby may be cheeky and act before thinking, *but* she's brave, loyal, resourceful and good at picking locks.

Jack doesn't like anything dangerous, *but* he's a bookworm, and reads loads, so he always has knowledge that can help save the day.

What are **you** good at that could save the day in an adventure?

- Sport, strong, quick, and good at teamwork!
- Singing, can you lull an animal to sleep with a lullaby?
- Creative, can see solutions to difficult situations?
- Observant, see and notices things others don't!
- Being kind
- Some other skill...
